

Getting Bigger Every Day

I'm getting bigger every day.
In many ways I'm gettin bigger every day
And I can't wait to see how big I'll be some day.
I'm getting bigger every day

When I was a baby, I was very small.
But I started growing and now I am quite tall
See how little you can be. Make a tiny ball
Now start growing upwards, and stretch up very tall

Well I can start very small, now I can stretch very tall
In many ways I'm getting bigger every day

When I was a baby, I couldn't walk at all
My mommy had to carry me, but then I learned to crawl
Now my legs are very strong I hardly crawl at all
I have learned to walk around. I walk very tall

Well I used to crawl, but I'm walking tall
In many ways, I'm getting bigger every day

When I was a baby, I always needed help
Now that I am bigger, I can help as well
I can help my brother, he is very small
I can hold and feed him. I'll teach him how to crawl

I'll teach him how to crawl.
And how to talk and show him how to stretch tall - and how to walk
In many ways I'm getting bigger every day

I'm getting bigger every day.
In many ways I'm gettin bigger every day
And I can't wait to see how big I'll be some day.
I'm getting bigger every day
