

## Animal Farm Song

One fine day my family and me got into our car and left the city

We went to the country to see what we could see

We saw a great big farm

There were animals here and everywhere. Some so big I couldn't help but stare

Furry ones and feathered ones, I declare

It was a great big farm

I said to my daddy, "Please let's stop! I wanna get out and take a walk

I wonder if those animals would like to talk to a little kid like me."

The first animal that I did see was really quite willing to talk to me

He said: "Neigh! Neigh! What could that animal be?

Fee-dee-dle-dee-Deedle-dee-dee-dee! Fee-dee-dle-dee-Deedle-dee-dee-dee!

Fee-dee-dle-dee-Deedle-dee-dee-dee! The horse is talking to me

The next animal to come along sang to me a pretty song

He said: "Cock-a-doodle-do" What could that animal be

Fee-dee-dle-dee-Deedle-dee-dee-dee! Fee-dee-dle-dee-Deedle-dee-dee-dee!

Fee-dee-dle-dee-Deedle-dee-dee-dee! The rooster is talking to me

The next animal was woolly and white. Cute little ears, such a pretty sight

He said: "Baa! Baa! What could that animal be?

Fee-dee-dle-dee-Deedle-dee-dee-dee! Fee-dee-dle-dee-Deedle-dee-dee-dee!

Fee-dee-dle-dee-Deedle-dee-dee-dee! The sheep is talking to me

The next animal was very fat. He saw a mud puddle and in it he sat

He said: "Oink! Oink! What could that animal be?

Fee-dee-dle-dee-Deedle-dee-dee-dee! Fee-dee-dle-dee-Deedle-dee-dee-dee!

Fee-dee-dle-dee-Deedle-dee-dee-dee! The pig is talking to me

I saw an animal chewing on the hay and I said to him: "Hey what do you say

He said: "Moo! Moo! What could that animal be?

Fee-dee-dle-dee-Deedle-dee-dee-dee! Fee-dee-dle-dee-Deedle-dee-dee-dee!

Fee-dee-dle-dee-Deedle-dee-dee-dee! The cow is talking to me

As I was walking I heard a strange voice and I stopped real short and said:

"What was that noise?"

He said: "Quack! Quack! What could that animal be?"

Fee-dee-dle-dee-Deedle-dee-dee-dee! Fee-dee-dle-dee-Deedle-dee-dee-dee

Fee-dee-dle-dee-Deedle-dee-dee-dee! The duck is talking to me

I turned to all my animal friends and I said I was sorry our visit had to end.

But I'd be back to the farm again, and I'd say good-bye till then

Thank you horse, sheep, and piggie too.

And rooster I enjoyed your cock-a-doodle-do

The duck's quack, quack and the big cow's moo. I sure like talkin' to you.

Fee-dee-dle-dee-Deedle-dee-dee-dee! Fee-dee-dle-dee-Deedle-dee-dee-dee!

Fee-dee-dle-dee-Deedle-dee-dee-dee! I sure like talkin' to you
